NEARLY READY

AN ENTIRELY NEW EDITION

OF THE

Pilgrim Hymnal

Churches who are thinking about adopting a hymnal in the immediate future should see this new book

THIS edition has all the points which have given the *Pilgrim Hymnal* its distinctive excellence. It is of a conveniently small size. It contains over six hundred and fifty hymns selected with discrimination, voicing the modern feeling of brotherhood and social righteousness, and giving as well the older hymns of the faith. Over two hundred popular hymns have been added to this edition. Its responsive readings and orders of service are fresh and original. This book contains in slightly abbreviated form the order of worship suggested by the National Council. The printing and binding of this volume have received careful attention and the result is a marvel of flexibility and lightness. Each page, typographically considered, is a work of art.

The six years of service which it has seen have tested and approved the merits of the Pilgrim Hymnal Plan. There have been, however, a number of changes made to improve the hymnal in every respect that experience has shown desirable. A careful inquiry has been made among the many churches using this book and the results of these criticisms, favorable and adverse, appear in this revision. Only about one third of the new book remains as before. Consequently any church purchasing this up-to-date edition will benefit by the experience of the editors and of the churches who have tried out the hymnal. The book will prove a wonderful aid to a revived and enriched devotional service.

THE 1911 BIBLE

Your Bible reading

Would be made even more enjoyable if you used

THE 1911 BIBLE

Printed in Large Clear Type

Read the following unsolicited testimonial:

William C. Pope, in "The Living Church," says:

"**The 1911 Bible** is beyond expression delightful reading. One reads it with the intellectual pleasure and affection bestowed upon the Authorized Version, and then, when a new word or phrase occurs, the effect is not nauseating, but welcomed, as that which is not only new, but also good."

¶ **The 1911 Bible** is *not* a revision, but the old, familiar Authorized Version, carefully amended by American scholars in the light of the latest modern scholarship. No radical changes have been made, and, above all, the dignity and melody of the English of the Authorized Version have been carefully preserved.

¶ In addition to a new method of paragraphing, it contains a unique system of chain and collected references.

¶ No finer Bible has ever been published either in England or America.

"We believe, unqualifiedly, that **The 1911 Bible** is far the best translation ever given the English-speaking people, and the worthiest of their confidence and affection." — *The Herald and Presbyter, September 13, 1911.*

INTRODUCTION.

As in previous years the issue of the YEAR-BOOK giving the reports of the churches for the year 1911 is by several weeks later than it ought to be. It is to be greatly regretted. The more so because there is so little occasion for it. If it is possible for the secretary of so large a state as Massachusetts to complete his work and send it to the Editor before the middle of March, it is possible for every state secretary to do the same thing The cause for delay is to be found in the church clerk. Why he will not promptly do as he is *most kindly* requested to do is a question for the church itself to answer. We leave that question with the church.

Reports were received from the states as follows: *January 31*, Porto Rico; *February 8*, West Virginia; *February 10*, Arizona; *February 12*, Hawaii; *February 14*, Oregon; *February 19*, New Mexico, Wyoming; *February 23*, Florida; *February 26*, South Dakota, Washington; *February 27 — March 11*, Massachusetts; *March 5*, Nevada, North Dakota; *March 8*, Maine, Vermont; *March 11*, Wisconsin; *March 12*, Colorado; *March 13*, Arkansas, Missouri, Rhode Island; *March 14*, North Carolina Conference; *March 15*, Northern California; *March 17*, New Hampshire; *March 18*, Minnesota, New York; *March 24*, District of Columbia, Maryland, New Jersey, Virginia; *March 25*, Iowa, Kansas, North Carolina Association; *March 28*, Oklahoma; *March 29*, Nebraska; *April 5*, Illinois; *April 8*, Indiana, Michigan, Texas; *April 11*, Connecticut; *April 15*, Alabama Conference, Louisiana; *April 20*, Southern California; *April 22*, Montana, Pennsylvania; *April 24*, Idaho, Tennessee, Utah; *April 26*, Alabama Association; *April 30*, Kentucky.

No reports were received from Alaska, Mississippi, and South Carolina. The schedules given are those of 1910 excepting in the offerings to the National Societies.

Attention is called to the report of members of the Sunday Schools in Northern California. In the general summary a revised report is given.

In accordance with a request that the work of the National Societies be respected, we present a new grouping of the states showing the gains and losses.

In considering the gains and losses in offerings to the National Societies, we beg the reader to remember that what appears to be a large decrease is so because of the special jubilee offering of 1910 by the Hawaiian churches. The reports from the states exclusively indicate an actual increase of $16,306.00.

We beg to express our appreciation of the faithful service of the state secretaries, and we thank them for their labor of love. It is hardly necessary to say that because of the labor involved in revising a great deal of the work under the direction of the Apportionment Commission, the burden of the Editor has not been made less heavy, though with the added burden not a little pleasure has been realized through the hearty coöperation of the treasurers of the National Societies and Secretary C. C. Merrill, of the Apportionment Commission.

A word ought to be said respecting the apparently small increase of the membership. The total additions on confession and by letter are 57,667. The number of removals is 54,489. So large a number may be accounted through the revision of church rolls. We think that in general our felllowship is growing stronger and the mind of the churches is directed to well-defined purposes in the kingdom of our Lord.

The Departments of Work are:

STATE UNIVERSITIES. — Congregational pastors for the thousands of young men and women from Congregational families.

COLLEGES. — Educated Christianity is the hope of the world, and the reign of Christ over human thought must result mainly from Christian institutions.

ACADEMIES. — Our Christian academies prepare teachers for public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of home missionary churches.

MISSION SCHOOLS IN UTAH. — Mormon leaders have a distinct political aim to gain firmer hold in national affairs in order to gain larger liberty for their irreligious practices. Mormon church influence controls the public schools in Utah.

MISSION SCHOOLS IN NEW MEXICO. — The poverty, prejudice, and backward condition of the Spanish-speaking Mexicans are a strange anachronism in the midst of our American life. The uplift will come through the children and their schools.

STUDENT AID. — Money is loaned or granted to meritorious and needy young men for studying for the Christian ministry.

OBJECTS.

To maintain, in the city of Boston, a Congregational House; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational history and promote the general interests of Congregational churches.

FINANCIAL.

During the year the debt on the Congregational House has been reduced by $11,000, bringing it down to $122,000. It is a matter for wonder that our Association is almost always left out of the scope of testamentary bequests. Surely there could not be a more stable and permanent investment, or one that should more commend itself to those who have the best interests of Congregationalism at heart, than a legacy whose income would be a perpetual endowment for each and all of our missionary societies. In August, 1910, the mortgage on the Congregational House was renewed, and although the property is worth several times the amount of the mortgage, it would be far more productive for Christian work if it could be used more fully for the purposes of the Association. Every contributor to our missionary societies is directly interested in the cancellation of this debt. The Association exists for the benefit of these societies, and of the Congregational Library. The average annual rental of the Congregational House, after deducting fixed charges, amounts to about $10,000; the interest on the mortgage is about $5,000; if the debt were paid, the appropriations to all the missionary societies could be largely increased.

THE LIBRARY.

The foresight of our fathers in beginning to save and store here all materia bearing on " the religious history and literature of New England " is abundantly vindicated, on the one hand, by the growing scarcity of such documents, and on the other hand by the constant use of those which have been obtained. Daily pilgrimages are made hither for the ecclesiastical and statistical material which will prove more useful still as time goes on. It is too often forgotten, amid the crowd of appeals that seem more pressing, that by taking a very little pains now, the clerks or pastors of all our local churches can win the deep gratitude of those who are coming after us.

We have no Carnegie to give us a princely endowment, but in this enterprise a little care and painstaking are even more welcome than gifts of money.

THE AMERICAN BOARD OF COMMISSIONERS FOR FOREIGN MISSIONS.

Organized in 1810. Incorporated in 1812.

President. — Samuel B. Capen, ll.d., Boston, Mass.

Vice-President. — Edward D. Eaton, d.d., Beloit, Wis.

Corresponding Secretaries. — James L. Barton, d.d.; Cornelius H. Patton, d.d.

Treasurer. — Frank H. Wiggin.

Editorial Secretaries. — Elnathan E. Strong, d.d., *Emeritus;* Rev. William E. Strong.

Associate Secretaries. — Rev. Enoch F. Bell, Rev. David Brewer Eddy.

Publishing and Purchasing Agent. — John G. Hosmer.

District Secretaries. — Middle District: Rev. Willard L. Beard, 4th Ave. and 22d St., New York; Interior District: A. N. Hitchcock, d.d., 19 So. LaSalle St., Chicago; Pacific Coast District: Rev. H. Melville Tenney, d.d., Mechanics Bank Building, San Francisco, Cal.

Prudential Committee. — The President and Vice-President, *ex officiis;* Edward C. Moore, d.d.; Charles A. Hopkins; Arthur L. Gillett, d.d.; Francis O. Winslow; Rev. Edward M. Noyes; Herbert A. Wilder; Hon. Arthur H. Wellman; Albert P. Fitch, d.d.; Henry H. Proctor; Rev. George A. Hall; Arthur Perry; Lucius H. Thayer, d.d.

The Board began its second century with a year of advance, both in receipts and in the number of missionaries sent to the field. The million dollars income, which has been for years the annual aim, has now been more than reached, and no falling back from this advance position should be permitted. Rather a gradual increase upon this amount should be anticipated in view of the specific calls from nearly all the missions for more missionaries or for larger equipment. The native agents, pastors, preachers, and teachers are increasing year by year; with sufficient funds available a still larger number might be most economically and effectively employed. Means have been supplied through the Higher Educational Fund for better training of these native agents; the pressure is now for enlarged grants by which native communities calling for Christian instruction may be aided in the establishment of their own evangelical and educational work.

The Board has now in the field a few more than 600 American missionaries, male and female. Connected with its 106 stations where missionaries reside there are 1,353 outstations, though these do not include all the places where the gospel is preached through its agents. There are over 300 native pastors, besides 664 preachers and catechists, and over 2,600 teachers, making the corps of Christian laborers connected with the Board's work over 5,000. This force seems large but it is by no means adequate to the demands of the work. The missions are nearly all undermanned; some stations are only partially maintained. New and most promising openings are demanding attention, and the cries for increased supplies of men and money are importunate.

For many years the changes in the nations have been surprisingly rapid, but those of the past year have been stupendous; it must suffice here to mention China, where a revolution is now going on, the end of which no one can foresee, but which is sure to effect a transformation in the condition and outlook of four hundred million people, or one fourth of the population of the globe, with possibilities for Christian advance surpassing any the memory of living man can recall.

STATISTICAL REPORT FOR YEAR ENDING MARCH 31, 1911.

The Congregational Home Missionary Society carried on work during the year in twenty-seven states and territories, and the constituent state societies in nineteen more. The number of missionaries under commission for the whole or part of the year was 1,794. They cared for 2,471 churches and preaching stations. Connected with these churches were 2,335 Sunday-schools.

Of these churches 387 held services in foreign tongues: German, Swedish, Dano-Norwegian, Bohemian, Italian, French, Spanish, Welsh, Finnish, Armenian, Albanian, Greek, Portuguese, Syrian, Croatian, Indian, and Japanese, — seventeen in all. The largest foreign work was carried on among the Swedish people, 91 churches using that language in their service.

During the year 140 new churches were organized, or 22 more than last year; 108 new church buildings were erected, 28 more than last year; and 45 parsonages were built, 10 more than last year.

The number of churches coming to self-support was 81, which was 15 less than last year. Forty-three churches formerly self-supporting were compelled to ask aid again, 15 more than last year.

The receipts of the Society for the year were as follows:

From contributions	$128,840.31
From legacies	100,000.00
From investments	12,992.47
From Joint Campaign Fund	261.00
	$242,093.78

The constituent state societies received during the year a total of $247,977.29. Adding this to the receipts of the National Society we have $490,071.07 as the total home missionary receipts of the year. The addition of $41,928.00 received for work by the city mission societies makes an aggregate of $531,999.07.

The expenditures for the year for missionary work and general expenses and indebtedness were $562,260.68. The average gift from each member of the Congregational churches for the year was 50 cents.

The American Missionary Association is training leaders for these different races. This involves an

INDUSTRIAL LEADERSHIP.

The Association years ago introduced into its schools Industrial Training. All our principal schools now give this training. The aim is not simply to instruct the few in handicrafts, but to give to the many an intelligent and efficient industrial leadership within their own race, which shall encourage industrial activity and lead to economic development.

AN INTELLECTUAL LEADERSHIP

is also furnished through the colleges and higher institutions. No race can be lifted by the means of industrial training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for. In its normal schools hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of any people.

MORAL AND RELIGIOUS LEADERSHIP.

Departments of Biblical and theological instruction, in which ministers and missionaries are trained for the service of their own people, are provided by the Association. Character building and religious instruction are everywhere a part of school training. High moral standards can be met only by a well-trained moral and religious leadership.

EDUCATIONAL WORK

includes normal, theological, college, academic, and grade teaching, with instruction in manual training, domestic science, mechanical arts, and agriculture. There are five chartered institutions for colored students as follows: Fisk University, Talladega College, Tougaloo University, Straight University, Tillotson College. Piedmont College and Atlanta Theological Seminary gather a considerable body of white students. There are also secondary and elementary schools to the number of 94. The total enrollment in all the institutions of the American Missionary Association last year was 17,379.

CHURCH WORK.

The value of Congregational churches in the field occupied by the American Missionary Association cannot be measured by the number of these churches. Missions are established which often do not grow into organized ecclesiastical bodies. This is especially true among the Mountaineers and the Indians. These missions, however, are of large value in bringing the influence and light of the gospel into darkened and neglected communities. Many of the Congregational churches maintain these missions in their vicinage and so multiply their work. Our high ideals of church life maintained by these Congregational churches render somewhat slow the progress of their organization. This is true especially where there is an inadequate intelligence and leadership. An emphasis of the dignity and sacredness of church membership is thus impressed.

Among the Negroes there is an increasing expression of the ambition and desire for expansion and growth. These evidences of progress in the church work are encouraging.

LITERATURE.

Interesting leaflets representing the work of the American Missionary Association can be secured at any time by sending to one of the offices.

The American Missionary magazine is published monthly, representing the work of the several home missionary societies. The subscription price is *fifty* cents per year.

The Congregational Board of Ministerial Relief conducts the national work of relief in the denomination and in cordial harmony with the fourteen state relief societies. It is under the direct control of the National Council. Its Board of Directors is appointed by the Council every three years. Its charter speaks of its functions as follows: "To secure, hold, manage, and distribute funds for the relief of needy Congregational ministers and the needy families of deceased Congregational ministers."

The basis of claim to relief is "character and extent of service," and the determining conditions are "age, extent of disability, and degree of need."

The figure set by the National Council as a necessary endowment for this Board is $1,000,000. At present the endowment fund is about $221,000.

Only the interest on the Endowment Fund can be used for pensions. This income is supplemented from the current receipts. The needs of the present hour must be provided for before increasing the Endowment Fund, except, of course, by such gifts as are designated for this Fund.

The receipts in 1911 were $46,423.80, of which $26,096.38 were paid to pensioners representing 325 dependent persons, and $14,035 were added to the Endowment Fund.

The National Council "urges all ministers and churches to enter into hearty coöperation with the Board, to the end that the claims of this cause may be duly recognized by all, in all parts of the land."

The Board appeals

1. For an annual offering from each church.
2. For subscriptions to the Endowment Fund, from ministers during their earning period, of $1.00 a year or more.
3. For special gifts and bequests from individuals.

THE CONGREGATIONALIST AND CHRISTIAN WORLD

is in the ninety-sixth year of the life of the paper and the eleventh of its ownership by the Congregational Sunday-School and Publishing Society. THE PILGRIM PRESS

which is the trade name of the Congregational Sunday-School and Publishing Society, besides issuing the lesson helps and the various papers and magazines, publishes a large number of books by leading authors, of great value to our denomination and the public. Its bookstores in Boston and Chicago are centers of Congregational interest.

THE EDUCATIONAL DEPARTMENT

of the Society, in accordance with the action of the last National Council, has been notably extended. The Editor of General Publications has been made also Educational Secretary, and the Society has appropriated funds from the profits of its Business Department to assist our Sunday-schools in the task of bringing the work of administration and instruction up to the most advanced modern standards.

To assist in this work the Society has the services of Miss Margaret Slattery under contract for five years, and has arrangements also with Prof. Edward P. St. John, of the Hartford School of Religious Pedagogy. Both of these eminent authorities in this department write under the auspices of the Society in its policy of producing better Sunday-schools as well as planting new schools.

This Federation is the only national organization existing among Congregational women. The constitution in part is as follows:

Object. — Its object shall be to secure the coöperation of all state bodies of women who labor in any organized way for the advancement of home missionary work in connection with Congregational churches.

Membership. — All state organizations of women connected with Congregational churches, seeking to promote home missionary work, shall be eligible to membership in the Federation.

Meeting. — The Executive Committee shall decide on the time and place of the annual meeting, which shall be held, whenever it seems desirable, in connection with the annual meeting of one of the national societies.

The Federation is made up of thirty-three women's state unions. It aims to raise $300,000 a year, the same amount aimed at by the woman's boards of foreign missions. For purposes of economy this money is disbursed by the thirty-three state treasurers directly to the six homeland societies, following as closely as possible the percentages of the apportionment plan.

The Federation has representation on the National Apportionment Commission and is now recognized in all denominational literature and plans as one of the national societies.

The American Missionary is the official organ of the Federation.

THE WOMAN'S BOARD OF MISSIONS.

The three Woman's Boards are corporate bodies, chartered under the statutes of Massachusetts, Illinois, and California, respectively. Each coöperates with the American Board and assumes the support of a part of the work under the care of the American Board. They collect money through Branches, Auxiliaries, and Mission Circles, and support missionaries as teachers, evangelists, doctors, and nurses. Their missionaries receive appointment from the Prudential Committee of the American Board, and are enrolled as its missionaries. Although the funds of the Boards are forwarded to the mission field through the treasury of the American Board, all the money has been previously designated by the Woman's Boards, each of which has its specific work to be supported out of its own funds. The women, girls, and children of the churches are the constituency upon whom rests the responsibility of providing these funds. These Boards coöperate with the American Board in publishing the *Mission Dayspring*, for children.

THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY.

610 Congregational House, Boston.

Directors. — Rev. ARTHUR J. COVELL, Chairman; DR. JOHN E. BRADLEY, Rev. FRANK S. BREWER, Rev. FREDERICK E. EMRICH, D.D., Rev. FRANK W. MERRICK, D.D., SYLVANUS G. MORSE, HENRY R. REED, Rev. JAY T. STOCKING, IRWIN W. TAPLEY, APPLETON P. WILLIAMS, Rev. CHAS. H. WILLIAMS, CHAS. L. ZIEGLER.
Secretary. — Rev. CHARLES B. RICE, D.D.

This Board is maintained and controlled by the General Conference of Congregational Churches in Massachusetts. It is an agency which acts in an advisory way with respect to pastoral settlements wherever it is called upon to do it. It undertakes nothing in behalf of any church except in answer to direct official request.

The Board has no shadow of authority over the churches, but it is itself responsible to the churches. This fact of complete public responsibility is characteristic, and is meant to be controlling.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement wherever that may be left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches when requested to do it, and, when the distance allows it, supplying the pulpit and meeting the committee of the church. The consultations which are thus had are often more satisfactory in their results than written correspondence.

The work of the office is large. We have carefully recorded statements concerning more than one half of all the Congregational ministers in the country. The churches served by us are most largely in Massachusetts and in the other New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

The records of our office contain important facts relative to the churches that have corresponded with us. They cover preaching engagements of every sort made through our agency, and they include copies of all letters descriptive of ministerial standing and capacity. Nothing is done that is not put within reach of authorized inspection.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in, as far as possible, the general judgment of discerning men who have had opportunities of knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contributions from the churches of the state through the treasury of the General Association. Fees are charged, however, to ministers, for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of Massachusetts. Within the state of Massachusetts there is no settlement fee. No charge is made to churches anywhere. But churches outside of Massachusetts have often considerately assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

BOSTON SEAMAN'S FRIEND SOCIETY.

Office: Room 601, Congregational House, Boston.

ORGANIZED in 1827 by a body of Congregational ministers and laymen in Dr. Lyman Beecher's church, the basement of which was at that time the home of the American Board. Incorporated in 1829.

President.— Rev. ALEXANDER MCKENZIE, D.D. *Secretary.* — CHARLES F. STRATTON.
Vice-President. — SAMUEL USHER. *Treasurer.* — CHARLES F. STRATTON.

Board of Managers. — The officers above named and George Gould, Luke W. Fowle, Charles W. Wrightington, William A. Paine, Alpine McLean, Franklin P. Shumway, Edward B. Wilder, Albert Murdoch, George F. Kendall.

Corresponding Secretary. — Rev. CYRUS P. OSBORNE.

Object. — This Society is devoted to the material, moral, and spiritual welfare of seamen. It aims to promote temperance, thrift, morality, and religion among a class of men whose privations and hardships, temptations and perils, are extreme, and who at the same time respond to helpful moral and religious influences more readily than any other class of men. It also undertakes to provide these men with social entertainment and relieve their wants when shipwrecked and destitute.

Scope. — This work is not local. It has to be done where seamen are, at large commercial centers like Boston, or on great thoroughfares of commerce, like Vineyard Sound. The work is necessarily prosecuted at points on the coast, but it cares for sailor boys who have come from every state in the Union.

Every year naval recruiting parties cover a large part of our country with their operations, and enlist young men for sea service from every state in the Union. To these lads, separated from the influences of home, church, and Sunday-school, our bethels and reading-rooms, with their varied entertainments, furnish a safe and cheerful resort free from the temptations of the saloon.

The work is not only for sailors from every part of our land, but for men of every race and nation. These men are followed by correspondence to all parts of the world; so that while this work has its center upon our coasts, its circumference includes all seas and shores where sailors may be found.

Methods. — The work is not simply preaching to sailors, but a large and varied ministry to all the wants of seamen. Good reading is supplied to men remote from books and news stands. Entertainments, concerts, and sailors' suppers are given for the social side of the sailor's life; the earnings of men are received and placed on deposit, with interest; invalids in naval or marine hospitals are visited with cheer and comfort. The temperance pledge plays an important part, a dozen or more sailors often signing at a time. Power launches are maintained to minister to the wants of Jack afloat as well as ashore. Attractive singing is provided, not only in our bethels, but at the navy yard and in hospitals, and sailors afloat are regaled with gospel songs that touch the heart, sung by young people on board our harbor launch. Food, clothing, and shelter are supplied to men shipwrecked and destitute at all seasons, especially in the rigors of winter. Large numbers of these unfortunates are cared for every year.

Results. — Many men have been led to save their earnings, an aggregate of many thousands of dollars. Hundreds of men have been helped and befriended in time of dire distress. Many thousands have had a cheery and homelike place of resort in reading-rooms, fitted up with games as well as with books and magazines. All this is additional to the regular evangelistic work of the Society, which is unsurpassed in its way.

But the most noteworthy results of the work are of that intangible kind, affecting the heart and life, which cannot be tabulated. In our Sailor's Rest and Chapel, 287 Hanover St., Boston, there are religious meetings Wednesday, Friday, and Sunday evenings, and there have been seasons when from November to May there was rarely a meeting without requests for prayer. At our Vineyard Haven Bethel there are conversions every month, nearly every week in the year, and in the last five years about a thousand sailors have united in a bond of Christian fellowship known as the "Hold Fast," and with these men the Chaplain is in constant correspondence. The spiritual value of the work accomplished is beyond all estimate.

Needs. — The Society needs an annual contribution from every church, Sunday-school, and Endeavor Society. It greatly needs at this time special gifts from favored donors, amounting to at least $7,000, to meet the balance of expense for changes and improvements in our Sailor's Rest at 287 Hanover St., by which two thirds of that fine building have been made available for bethel work instead of one third, as heretofore. It needs to have its revenues supplemented by an occasional bequest from generous patrons whose living gifts may fail us. It needs the sympathy and prayers of all who care for the sailor's welfare and have any sense of the great debt we owe to the much-neglected men of the sea.

FORM OF BEQUEST.

I give and bequeath to the Boston Seaman's Friend Society the sum of $..... to be applied to the charitable uses and purposes of said Society.

The Corresponding Secretary will gladly visit churches, Sunday-schools, and societies to explain the methods and results of this most interesting work.

THE FEDERAL COUNCIL OF THE CHURCHES OF CHRIST IN AMERICA.

National Offices, 1611 Clarendon Building, 215 Fourth Avenue, New York.

The Federal Council includes thirty-one constituent denominations, including the Congregational churches through action taken by the National Council.

It is not an individual or voluntary agency, nor is it simply an interdenominational fellowship. It is an official, organized instrumentality, just as organized in its constitution as the denominations themselves, through which the churches of the nation which hold to evangelical Christianity may manifest to the world, not only their mutual sympathy, but their essential unity in planning and working together in matters of common concern.

The thirty-one constituent bodies of the Council number about 17 million communicant members, and, including the family relations, represent something like 50 million of people.

The Federal Council has not proceeded by the processes of reduction. It has been constructive, has united and not divided. Denominational values have not been reduced, but rather increased through this common action. The motto has been, " Not to destroy, but to fulfill."

While Christian unity as a sentiment in the life of the nation has sought expression in many forms and utterances, its only actual achievement has been in and through the Federal Council.

In its work, it operates through committees on Foreign Missions, Home Missions, Sunday Observance, Temperance, Family Life, Education and Evangelism.

COMMISSION ON PEACE AND ARBITRATION.

One of its most important movements is represented by this Commission, which has developed an extensive work in relation to this movement of world-wide Christian interest and obligation.

THE COMMISSION ON THE CHURCH AND SOCIAL SERVICE.

This Commission is thoroughly organized and is made up of fifty of the strongest social leaders among our churches.

LITERATURE.

The members of the Congregational churches should endeavor to become thoroughly acquainted with the National Federation, of which they are a part, and are invited to send for literature descriptive of the Federal Council and its activities.

OFFICERS OF THE FEDERAL COUNCIL.

President, BISHOP E. R. HENDRIX, D.D.

Chairman of the Executive Committee, WILLIAM H. ROBERTS, D.D.

Corresponding Secretary, E. B. SANFORD, D.D.

Treasurer, ALFRED R. KIMBALL.

Acting Executive Secretary of the Council and Secretary of the Commission on the Church and Social Service, Rev. CHARLES S. MACFARLAND, PH.D.

The contributions for the work of the Council should be sent to ALFRED R. KIMBALL, Treasurer.

The Second Quadrennial will convene at Chicago in December, 1912.

Concerning matters of administration address, Rev. CHARLES S. MACFARLAND, *Secretary*, 215 Fourth Avenue, New York. For information as to this meeting address the Corresponding Secretary, E. B. SANFORD, D.D.

The regular course of study, covering three years, and leading to the degree of Bachelor of Divinity, is built upon the fundamental subjects of the Bible, the History of the Church, Christian Theology, Homiletics, and Pastoral Care. There is a considerable range of electives, and these are supplemented by many allied courses in Harvard University, open to Andover students. ALVAN F. SHERRILL, B.A., D.D., Dean, and Professor Homiletics.
SAMUEL W. HOWLAND, M.A., D.D., Professor Emeritus.
LAWRENCE PHELPS, B.A., D.D., Professor Biblical Theology.
GEO. S. A. NUSSMANN, B.A., B.D., Instructor in Hebrew and Greek.
FRANK E. JENKINS, B.A., D.D., Lecturer on Parish Problems.
JAMES W. BIXLER, M.A., D.D., Lecturer on Natural Theology.

The Seminary aims (1) to develop the practical side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The regular theological course embraces three years of study. At its completion the degree of B.D. or B.B.L. is given. Candidates entering upon this course must have a college course or its equivalent. The English theological course is designed to meet the needs of a great many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study besides the regular English preparatory studies. The third course is the Correspondence, for home study. It is given to meet the needs of pastors who are so situated that they cannot leave their work to attend the Seminary for a regular course. The fourth is also for non-resident students, and is designed especially for the graduates of this and other seminaries, who desire to continue, under experienced leadership, systematic study. To all non-resident students books are sent, lessons are assigned, and examinations are given.

The books of our library will be sent to pastors and teachers, free of cost save postage, to all who comply with the usual rules safeguarding their return.

TERMS OF ADMISSION. — Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

EXPENSES. — No charge is made for tuition or room rent. Board can be obtained for $2.00 and upward per week. A limited amount of student aid is given to worthy men. All active young men can find employment in the city that will help them to pay necessary expenses. Practical work in connection with the prosecution of studies is urged. Preaching and missionary work will enable the student to get a clear idea of some of the phases of work which are to be his.

The sole purpose of Bangor Theological Seminary is to train men and women to become preachers, pastors and teachers, and missionaries. Its primary and all the supplementary means of instruction seek this one end. It is open to Christians of any denomination.

It offers to college graduates and to those who have received equivalent discipline the opportunity to gain a thorough, modern, practical, ministerial training, and makes it possible for good students who are thus qualified to complete in three years the studies required for the degree of Bachelor of Divinity.

At the same time it makes provision for those who are belated in beginning their ministerial preparation and who have not had the privilege of the usual full and unbroken academic training. The studies are adapted to their needs, with the hope that they will be able, in a somewhat longer time, to cover the full course. A considerable experience has shown that there are many earnest young laymen in our churches whose early studies, practical experience and natural gifts qualify them to prosecute successfully theological studies. They often become most able and efficient ministers.

Attention is called to the Seminary's Library of about 28,000 volumes, well selected and steadily growing; to its fine gymnasium under a competent physical director; to Convocation Week, with its group of eminent lecturers and its gathering on this occasion from northern New England of a great company of working ministers.

Because of the adoption of the coöperative plan in the boarding-house, the necessary expenses of the student may be kept within very moderate bounds.

The Seminary year extends usually from the last Wednesday in September to the first Wednesday in June.

Requests for catalogues, letters of inquiry, or applications for admission should be addressed to the Corresponding Secretary, Prof. Warren J. Moulton.

Relation to the University. — The Divinity School is one of the coördinate departments of Yale University; its students enjoy all the general advantages of a university residence, and receive from the Corporation, on completing their three-years' course, the degree of b.d., and are enrolled among the alumni of the University.

Courses of Study. — The studies are grouped in four departments, each leading to the degree of b.d. These departments are those of (1) Pastoral Service, designed to train for the ministry of the churches; (2) Missionary Service; (3) Religious Education, for the preparation of teachers of the Bible in Colleges and other advanced posts of Christian teaching; (4) Social Service, for training in practical philanthropy based on sound economic and sociological principles.

Graduate or Fourth-Year Class. — Students of approved scholarship, who have completed a three-years' course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in theology are pursued under the direction of the professors. Members of this class may become candidates for the degree of m.a., or for that of ph.d., by enrollment also in the Graduate Department of the University.

Opportunities for Self-Help. — Scholarship aid is considered not as a gift, but as a means of livelihood obtained by religious work. The scholarship funds of the school are used to create opportunities for employment in New Haven and vicinity, through which the students may receive training for their future work. The average amount of time spent is six hours per week, for which the remuneration is $125. Prize scholarships of $100 and $50 are also offered to students of high rank in scholarship.

Term of Study. — The next year will begin on Thursday, Sept. 26, 1912.

Application for Admission. — The condition of admission is a liberal education at some college or university. Catalogues and forms of application for admission may be obtained by addressing the Dean, Yale Station, New Haven, Conn.

The Seminary aims (1) to develop a vigorous spiritual life as the only sound basis for scholarship and service; (2) to train in scientific methods of exegetical and historical research; (3) to discover and teach the truth of God as revealed in the Scriptures, and the leading of his Spirit in history, and its application to the present needs of the world; and (4) to equip students practically for the Christian ministry in its various forms.

The Curriculum is arranged in accordance with a system of Grouped Electives, thus offering either a balanced course or one rather closely specialized. It is also fitted to University students prepared to acquire advanced standing. The degree of Bachelor of Divinity is given for completion of the course with special credit and presentation of an approved thesis.

The allied Hartford School of Missions provides opportunity for thorough study of missionary theory and methods.

The Hartford School of Religious Pedagogy, affiliated with the Seminary, supplies an invaluable supplement to the instruction in this department.

Graduate Study is strongly encouraged. The degrees of S.T.M. and PH.D. are given under carefully defined conditions. Two fellowships are offered in the undergraduate department, each for two years of foreign study; and two of $500 each for one year of post-graduate work in residence.

The Apparatus includes a library of 95,000 volumes (excluding duplicates), museum, reading-room, gymnasium, music-room, etc.

Terms of Admission. — Candidates for admission must be members of some Christian church and graduates of some college, except in special cases. Those who are not college graduates can be admitted only after examination and on probation. All courses are open to women on the same terms as to men.

Expenses. — No charge is made for tuition, rooms, furniture, and bedding, except a nominal fee of $25 for use of steam and for supervision. Board is provided under the care of the Students' Association, at about $4.00 per week.

Scholarship aid is provided for those needing it, varying in amount according to scholarly rank.

Calendar. — The seventy-ninth year begins Sept. 25, 1912, and closes May 28, 1913.

Admission. — Candidates for admission must be college graduates or have equivalent preparation. Women are received on the same terms as men.

Course of Study. — The curriculum covers three years, and leads to b.d. degree. It is arranged in a system of grouped Electives, which give a general course with opportunity to specialize where desirable. The studies, set out from the point of view of Christian experience, are carried on in a reverent, historical, and critical spirit, and aim at a culmination in practical fitness for the ministry. The courses in philanthropic, civic, and social work offered by the Chicago School of Civics and Philanthropy are open to all students.

Seminary Extension. — Provision is made for the instruction of ministers in the field and others by correspondence courses of study and extension lectures at the Seminary. Write to the registrar for particulars.

Foreign Institutes. — In these independent courses men are trained to preach in both the English and the German and Scandinavian languages. For the German a high-school training, and for the Scandinavian a good common-school fitness, is required.

Chicago Commons, the Social Settlement, of which Prof. Graham Taylor is resident warden, is a center for civic, social, philanthropic, and religious work, through which students come in direct contact with the facts of the field.

Apparatus. — Hammond Library contains over 29,650 carefully selected volumes, current theological and literary magazines, all arranged according to departments in separate alcoves for easy reference. There are a parlor, reading room, music room, gymnasium with physical director, and light, airy, quiet dormitories looking out on Union Park.

Expenses and Aid. — The only charge is a nominal fee of $1.00 a week for heated, lighted, and furnished rooms. Board can be secured near the Seminary for $3.00 or $4.00 a week. Scholarships and loans from $75 to $175 a year are granted worthy men, in addition to the grant from the Education Society. Each graduating class is offered also a fellowship, the income of $10,000, for two years of foreign study.

Calendar. — The next seminary year begins Wednesday, Sept. 25, 1912, and ends Wednesday, May 7, 1913, with vacation of two weeks at Christmas.

PACIFIC THEOLOGICAL SEMINARY, Berkeley, Cal.

Opened for service, 1869; established at Berkeley, 1901.

FACULTY.

Charles Sumner Nash, M.A., D.D., President and Professor of Homiletics and Pastoral Theology.

William Frederic Bade, D.D., PH.D., Professor of Old Testament Literature and Semitic Languages.

John Wright Buckham, D.D., Professor of Christian Theology.

George Dewitt Castor, B.D., PH.D., Professor of New Testament Literature and Exegesis.

George Tolover Tolson, M.A., B.D., Instructor in Church History and Acting Librarian.

Richard Miner Vaughan, B.D., Instructor in Homiletics.

Albert Wentworth Palmer, B.D., Instructor in Pastoral Work.

Charles Edward Rugh, M.L., Lecturer in Religious Pedagogy.

The Faculty is further strengthened by coöperation with Pres. Claiborne Milton Hill, D.D., of the Pacific Coast Baptist Seminary; Dean Earl Morse Wilbur, M.A., D.D., of the Unitarian Divinity School, and Dean Harvey Hugo Guy, PH.D., of the Berkeley Bible Seminary.

Also, from the University of California, George Malcolm Stratton, PH.D., Professor of Psychology; Charles Mills Gayley, LITT.D., LL.D., Professor of the English Language and Literature; Chauncey W. Wells, A.B., Associate Professor of English Composition and Rhetoric; Alexis F. Lange, PH.D., Professor of the Theory and Practice of Education; John Fryer, LL.D., Professor of Oriental Languages and Literatures; Thomas Rutherford Bacon, A.B., B.D., Professor of Modern European History; William Popper, PH.D., Associate Professor of Semitic Languages and Literatures; Chas. Rieber, PH.D., Associate Professor of Philosophy.

The Seminary is located at Berkeley, the seat of the University of California. It is thus enabled to avail itself freely of the advantages of this University, among the foremost in the United States, all of its courses being open, without cost, to the Seminary students. Courses by the eight professors of the University above named have been incorporated in the Seminary curriculum, these men forming, to all intents and purposes, an associate faculty. The Library of the University (over 200,000 volumes) and the special library of the Seminary (10,000 volumes) afford large opportunities for special study. Instruction in medicine can be had in the Medical School of the University, and better preparation in the languages of China and Japan can be had under Professor Fryer than in the Orient itself. The climate is remarkably even, constantly cool, stimulating and favorable for study during the entire year, knowing nothing of debilitating spring changes or prostrating summer heats.

The main purpose is to train men for the practical ministry, especially the Congregational ministry. The usual courses in Exegetical, Historical, Systematic, and Practical Theology are provided. The prescribed courses, about two thirds of the whole, are arranged to cover the fundamental parts of all departments. For the rest the student, so far as prepared, is allowed to choose freely among electives covering all recognized branches. Eighty units of credit are the required minimum for graduation, a unit representing one class-room exercise a week for a half year. Hebrew is not required (Greek is) for the degree of B.D., but unusual facilities are furnished for acquiring it. The University of California has established an excellent course in modern charities.

The Seminary is open to students of every Christian denomination, to women as well as to men. A college diploma is required for admission to regular standing as a candidate for the B.D. degree. Advanced courses are provided for graduate students. Special students may be received, as in the University, to such studies as they are qualified to pursue.

Regarding expenses and pecuniary aid, and for further information, address President Nash.

The next year begins Aug. 20, 1912.

TALLADEGA COLLEGE THEOLOGICAL DEPARTMENT.

TALLADEGA, ALA.

Opened for service in 1872.

FACULTY.

JOHN M. P. METCALF, D.D., President.
D. BUTLER PRATT, A.B., Professor of Biblical Literature.
WASHINGTON CHOATE, D.D., Professor of Theology and Homiletics.
EZRA B. GEER, MUS.B., Professor of Church Music.
Mrs. D. BUTLER PRATT, Instructor in English.
ALFRED T. CLARKE, Instructor in English Bible.
WILLIAM H. HOLLOWAY, B.D., Lecturer on Sociology.

The advantages of the Theological Department are open to students of all denominations alike.

BUILDING AND EQUIPMENT.

Our new Theological Building, Andrews Hall, provides classrooms and dormitories and is equipped with all modern conveniences, steam heat, electric light, shower baths, etc.

THE FACULTY.

Two of the above members of the faculty give their entire time to the work; all have had long training and experience in preparation for it.

COURSES OF STUDY.

The Regular Classical Course of three years' duration leads to the degree of B.D., and includes the study of Greek, — Hebrew not required. Candidates must have completed two full years of college work with two full years of Greek.

An English Course of the same length leading to a diploma is designed for those who have had a college preparatory course or a full normal course or its equivalent.

A Bible Training Course of the same length lays its emphasis on training in English and in the English Bible, and is designed for men already in the ministry who desire more training, and for those unable, because of age, etc., to secure the preparation for the regular courses.

A Correspondence Course for ministers who are not able to do work in residence.

PRACTICAL ACTIVITIES.

All students in connection with the regular class work in sociology are required to engage in certain forms of practical work in the community, for community betterment and as preparation for actual work among their people.

EXPENSES.

Tuition and rooms are free. Students must pay for board, books, washing and incidental fee. Opportunities for self-help are offered, and in return for manual labor and practical Christian work some student funds are available for those whose scholarship is satisfactory.

GENERAL ADVANTAGES.

Talladega's location is an unrivaled one in the healthful foothills of the Blue Ridge.

The advantages of work in connection with a large school, a good library, fine musical advantages and opportunity to do some class work in the literary departments of the college.

* A dash in the column of colleges implies that the student has never been connected with any college; the name of a college followed by a dash in place of year implies that the student was connected with that college, but did not complete the course. A list of the colleges and universities may be found at the end of this list.

† "Sen." means Senior. "Mid.," Middle. "Jun.," Junior. "Spec." means Special Course. "Grad." means Graduate Class. "*D. N.*," "*Ger.*," "*Slav.*," and "*Sw.*" mean *Dano-Norwegian*, *German*, *Slavic*, and *Swedish* Departments, in Chicago and Oberlin. C. I. means Christian Institute.

Annual Statistics

OF THE

Churches and Ministers.

ANNUAL STATISTICS OF CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1911 by the statistical secretaries of the several state organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date Jan. 1, 1912, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the state secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows:

1. The statistics of the churches and their ministers, by states.
2. Statistics of Sunday schools, independent and missionary.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers and dates of sessions in 1912 and 1913, so far as correctly known.
5. General summary tables for the year.
6. Tables of summaries, 1858–1911.
7. Tables based upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city, arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make *new tables* each year. " Last year's report " (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of state secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations which change the place of the church on the list are specifically mentioned with the state summary, so that each church can be traced from year to year.

3. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct " pastoral supply " to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

4. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and THIS EMPHATIC TYPE IN LINE OF MARGIN, IS USED EXCLUSIVELY FOR NAMES OF POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, " Newton **West** "; if itself a name, it supersedes the other, as " Newton,

Auburndale." In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since Jan. 1; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A star (*) denotes a church not associated.

2. Pastors installed by council are marked "*i.*," and pastors recognized by council are marked "*r.*"; others in service are not marked, but are considered pastors except where otherwise distinguished. Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so as pastor by council last year and may be presumed to be *in transitu*, though his name is not in the state alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such are so considered and not included in list of vacant churches. When churches are supplied by ministers of other denominations it is so stated, and they appear under the head "Supplies." Churches actually vacant are found in column marked "vacant." The names of licentiates and ministers of other denominations will be found, not in the Alphabetical List of Ministers of Congregational Churches, but in lists following the regular list of Congregational ministers. The General Alphabetical List includes *only* Congregational ministers.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations Di., L., R., respectively. It should be borne in mind that in the tables, "R." includes Discipline and Roll revision. In the General Summaries the letter "R." is used, and includes Revision and Discipline. Under "Sunday Schools," "h" signifies Home Department, and "m," a Mission School connected with the Sunday school of the church. In "List of Mission and Independent Schools," "C" signifies that the number enrolled is counted in the enrollment given in the State Schedule. Under "Men's Organizations," "x" means men's organizations exclusively; "z," boy's organizations exclusively. In all other cases "Men's" and "Boys'" are together.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some states do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

Students of this table should remember that 1887 was a transition year. The reports from different states covered periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England, except Maine, two years are included, and the average for the whole country is twenty months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the gain of members, 12,723; in Sunday schools, 17,822; and infant baptisms, 7,176.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

THE following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible, but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization, in any state, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolence Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches) are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1911, are retained, and are indexed to pages on the " Vital Statistics " when found there.

Some errors will be found in first names, initials and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher.

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by or under the care of any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by state only are of persons approved in the state mentioned, no residence being reported. 4. The list is incomplete, because some states make no full report of licentiates. 5. The contracted name of a state in brackets means that the name was reported by that state although the person may reside elsewhere.
